# HOMEOPATIE

## CAREER INFORMATION

Homoeopathy was developed over 200 years ago and is seen as holistic medicine. The holistic approach to medicine takes a wider view of the cause of illness, and the ways in which people express their illness. Homoeopathic remedies, derived mainly from plants and minerals, are prepared in a special way that makes them not only safe but also very effective. They are non-addictive and have no side-effects.

## ADMISSION REQUIREMENTS

Each Institution has its own entrance requirements.

## SCHOOL SUBJECTS

Mathematics and Physical Science.

## TRAINING

### UNIVERSITY OF TECHNOLOGY

The Homoeopathy student enters a five-year full-time programme leading to the Master of Technology Degree Homoeopathy. You will study the detailed anatomy and physiology of the healthy body, and the diagnosis and treatment of disorders. You will be required to do clinical work in your fourth and fifth year of study, during which you will deal with patients in health clinics under the guidance of qualified practitioners. You will also be required to complete a research project and dissertation in your fifth year.

## EXPERIENTIAL TRAINING

From your fourth year of study you will have contact with patients and will be required to complete a certain number of hours in a clinic in order to complete a specified training programme.

## QUALIFICATIONS

MTech: Homoeopathy

## CAREER OPPORTUNITIES

Most newly qualified homoeopaths will enter private practice on their own or in partnership with existing practitioners. Some may prefer to pursue an academic career, while others may prefer the path of research.

## LOOPBAANINLIGTING

Homeopatie is meer as 200 jaar gelede ontwikkel en word gesien as holistiese medisyne. Die holistiese benadering tot geneeskunde neem die oorsaak van siektes en die wyse waarop mense hul siekte voorstel, in oënskou. Homeopatiëse middels wat bestaan uit plante en minerale word voorberei op 'n manier wat dit nie net veilig maak nie, maar ook effektief. Hulle is nie verslawend nie en het ook nie newe-effekte nie.

## TOELATINGSVEREISTES

Elke Instansie het sy eie toelatingsvereistes.

## SKOOLVAKKE

Wiskunde en Natuur- en Skeikunde.

## OPLEIDING

### UNIVERSITEIT VIR TEGNOLOGIE

Die Homeopatie student skryf vir 'n vyf-jaar voltydse program in wat lei tot die Meestersgraad in Tegnologie: Homeopatie. Jy sal die volledige anatomie en fisiologie van die gesonde liggaam bestudeer asook die diagnose en behandeling van ongesteldhede. Dit sal van jou vereis word om gedurende jou vierde en vyfde studiejare kliniese werk te verrig, waartydens jy met pasiënte in gesondheidsklinieke, onder leiding van gekwalifiseerde praktisyns, sal werk. Dit sal ook van jou vereis word om 'n navorsingsprojek te voltooi en 'n verhandeling te lewer in jou vyfde jaar.

## ERVARINGSLEER

Vanaf jou vierde studiejaar sal jy in aanraking kom met pasiënte en, om 'n aangewese leerprogram te voltooi, sal dit van jou verwag word om bepaalde aantal ure in 'n kliniek deur te bring.

## KWALIFIKASIES

MTech: Homeopatie

## LOOPBAANGELEENTHEDE

Die meeste nuut-gekwalifiseerde homeopate sal hul eie privaatpraktyk begin, of in vennootskap tree saam met bestaande praktisyns. Sommige verkies 'n akademiese loopbaan en ander om by navorsing betrokke te raak.
